Siamo un'azienda a conduzione familiare, presenti sul mercato nazionale e internazionale da oltre vent'anni. Svolgiamo un lavoro artigianale di decorazione su vetri e cristalli provenienti dalle migliori vetrerie della Polonia. Offriamo una moltitudine di prodotti tra i quali ampolline liturgiche, crocifissi, brocche, bottiglie, paralumi, bicchieri, campanelli, souvenir e tanti altri articoli. Realizziamo loghi e incisioni varie, su vostro progetto. La manualità acquisita nella lunga esperienza in questo settore, ci ha permesso di raggiungere alti livelli di perfezione che ci consentono di proporvi articoli di altissima qualità.

We have pleasure of introducing our firm and our goods.

We are family firm making handcrafted embellishing of crystal and glass.

Our firm has been active on Polish market for twenty years.

We offer a great choice of ampoules, trays, crosses, jugs, bottles and many other kinds of crystal and glass products. Any pattern chosen can be engraved both in white and stained glass and crystal. Also white crystal can be stained amber.

The elements of engraving, e.g. logos, are done mechanically with a plotter.

Our staff's experience of many years and craftsmanship mastered to perfection guarantee you the highest quality of our goods. We have very interesting range of patterns and designs. Individually designed patterns in accordance with the customers' wishes are possible.
